Be sure to give a big Bayfield welcome to Jean F, Audrey T & Lois M

Staffing Changes:

Lisa has decided to leave her position as General Manager. A new General Manager will start on Mon, August 6th. Her name is **Amy Morrow** and we look forward to welcoming her. Lisa has recently accepted the position as Marketing Manager and will stay on until December. Lisa will be here in August to train Amy and introduce her to all of you.

As some of you may have heard, Southbridge has decided to restructure the Office Manager role. So unfortunately, **Greta** is no longer with the company. We wish her well in the future. **Lori-Ann** Morin is filling in in the interim.

And on a very sad note, **Kristin** DeJong has decided to resign from her position as Wellness Director. Her last day will be August 23. She has been with Bayfield for 16 years. She started as a Personal Aide at just 15 before going to college and becoming a Practical Nurse. She rounded out her career with us as our amazing Wellness Director. We thank her for all hard work, dedication and compassion over the years. She has been a wonderful member of our team and home. We wish her well in the future and look forward to her visiting us!
