Dining Room Staff are closing the doors between lunch and supper sittings. This allows staff to clean and reset. Once done, they will open the doors and invite you to be seated. Now that our community has grown in numbers, its very busy in the dining room so we ask that everyone be kind and patient. The dining staff are working very hard to get everyone fed in a timely manor.

March 8 International Women's Day Let's celebrate all the amazing women in our Bayfield Community from residents, staff and visitors!
